

## SEE WHAT IT'S LIKE TO DRIVE ALL WEEK AND NEVER STOP FOR GAS

MPG Car Rental is an All Green car rental company with an All Green Fleet, consisting of Hybrid, Clean Diesel, and Electric vehicles. In an effort to encourage consumers to purchase Green Vehicles, MPG has developed the MPG Test Drive Program.

Simply go online, call, or stop by MPG Car Rental to make your reservation and drive the green vehicle of your choice for a set amount of days. If you decide you want to purchase the same make and model from (Dealer name), bring back the voucher signed by an MPG Car Rental Associate along with your invoice and have the full amount deducted from the price of the car.
